

Magnified Healing®

Are you on the path of Ascension? Are you willing to prepare yourself, others and the Earth in ushering in the higher vibrations of pure Love, Light and Freedom? If so, then Magnified Healing is for you.

The Magnified Healing® teachings are a great opportunity to learn a healing modality that was introduced to the Earth in 1983. Previously, this healing method was used only in the higher dimensions by the Ascended Masters to assist themselves, the Masters on Earth, and mankind under special divine dispensation. In 1992, under the direct intervention and inspiration of Lady Master Kwan Yin, Magnified Healing® was brought forth into its expanded form for the advancement of Humanity and the Earth.

Magnified Healing® establishes a constant flow of energy from the Heart to the Source, the All That Is, the Infinite Mind, down to the Diamond at the Center of the Earth. The link spirals and brings a deep state of grace pulsing forth from the Hierarchy, laying the very foundation for the Ascension Process.

Kwan Yin is an Ascended Lady Master and member of the Great White Brotherhood of this planet, known to many as the Goddess of Mercy, Compassion and Forgiveness. She is also known as Cannon (in Korea and Vietnam), Quan Yin, and Tara (in Tibet and India). She is a member of the Karmic Board, which functions much like the "Supreme Court" for the inner Government of this planet. In 1986, she was asked to anchor the Divine Feminine Aspect of the Buddha. ***Mercy means there is more assistance given through love than merit earned.***

Magnified Healing was divinely transmitted through Revs. Kathryn Anderson and Gisèle King in 1992. There are now over 60,000 initiates in 81 countries and 48 states in the U.S.

Magnified Healing® is a complete two-day healing and ascension workshop, which empowers you to teach and share the love you

receive. Magnified Healing® activates the 3Fold Flame in the heart, allows us to clear our karma, activate all our strands of DNA, transform our being into Pure Light and step into Ascension. As a Master-Teacher, you will work with the breath, movement and sacred geometry. You become a co-creator of this profound energy. A sacred Initiation with Flower Essence will expand and activate your lower and higher centers and seal the energies into perfect synthesis. After an 11-day practice following your attunement, you are empowered to teach this workshop all over the world.

Pre-requisites: an understanding of chakras, karma, 3-Fold Flame, ascension, Hierarchy, Violet Flame.
